

The following items are available through Smith Parts Operation:

- Replacement Solenoids
- Solenoid Coils
- Spare Parts Kits (Inclusive in the Spare Parts Kits are instructions and normal wear items such as resilient discs, seats, springs, and gaskets.)*

When ordering any of these items, please be sure to include the Smith Valve Assembly or Log Card Number (Serial Number), the Solenoid Valve Catalog Number, pressure rating, electrical requirements (including voltage, frequency, and wattage), and pipe size.

* Recommended spare.

The specifications contained herein are subject to change without notice and any user of said specifications should verify from the manufacturer that the specifications are currently in effect. Otherwise, the manufacturer assumes no responsibility for the use of specifications which may have been changed and are no longer in effect.
