

**Lubricants**

**Anti-Seize**

**\*\*\* FLAMMABLE \*\*\*  
\*\* AIR FREIGHT PROHIBITED \*\***

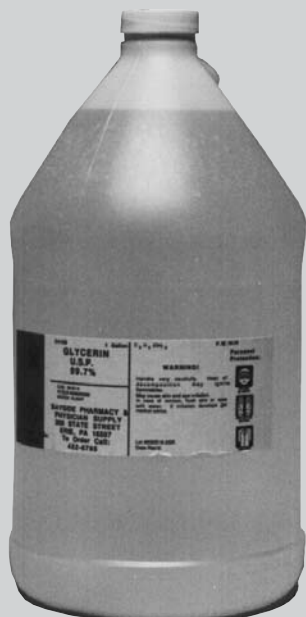

Used to lubricate P.D. Meter rotor shafts during assembly. Reduces friction to allow proper cam position on the shaft, as well as lubrication for easy cam replacement (1 lb can) ..... **5893-600**

**Grease, Anderol #795**

Used to lubricate gears and pinion shaft on PEX transmitters. Also used on gears, wheel ratchets, ticket tray, and bearings of ticket printers (1 lb can) ..... **5851-600**

**Glycerin**

Provides lubrication for high pressure packing glands (1 gallon container) ..... **650551-002**

**Grease, General Purpose #JT-6**

Excellent grease to prevent metal contact on ATG and transmitter gearing. Will withstand the constant pressure between the ATG disc and roller assembly, greatly prolonging the lifespan of these components (14 oz tube) ..... **5851-600**

## Silicon Lubricant

Lubricates elastomers such as EPR which are not compatible with a petroleum based lubricant (5.3 oz tube)  
..... 651065-003

## Grease, Heavy

Used to lubricate mating surfaces on explosion proof housings, prevents seizure caused by oxidation  
(1 lb can) ..... 646064-401

## Rheolube

High quality grease used to lubricate PBSSC manual advance pawl. Resists hardening in low temperature applications (1 pint container) ..... 651065-004

## Seal-Lube

**\*\*\* FLAMMABLE \*\*\***  
**\*\* AIR FREIGHT PROHIBITED \*\***

A dry film lubricant used to coat and protect exposed metal surfaces in P.D. meter inner units. Primary function is the reduction of friction and wear. Also minimizes galling and seizing (16 oz aerosol container)  
..... 646037-401

## Oil, Industrial Grade

**\*\*\* FLAMMABLE \*\*\***  
**\*\* AIR FREIGHT PROHIBITED \*\***

Recommended lubricant for bearing surfaces of shafts, studs, and bosses on ticket printers  
(1 qt can) ..... 650561-001

## Sealants

### Thermal Grease

Used to aid in dissipating heat on electric components. Applied when mounting resistors or semiconductors (1 oz tube) ..... **644802-401**

### Master-Gasket

Maintains an occlusive seal between PD meter inner unit and outer housing. Used in place of pre-formed gaskets.

1.69 fl oz (50 ml) ..... **646000-401**  
 10.15 fl oz (300 ml) ..... **646000-402**  
 Primer ..... **646001-401**

### Tropicalization Spray, Heavy Duty

**\*\*\* FLAMMABLE \*\*\***  
**\*\* AIR FREIGHT PROHIBITED \*\***

Used on terminal barrier strips and connector bodies to prevent moisture damage (aerosol container)..... **650974-001**

### Tropicalization Spray, Light Duty

**\*\*\* FLAMMABLE \*\*\***  
**\*\* AIR FREIGHT PROHIBITED \*\***

Prevents moisture or humidity from corroding electronic components, particularly electronic circuit boards (aerosol container) ..... **650860-001**

## Soft Set Sealer with Teflon

This is primarily used to form the seal between the cover and housing on Smith T-Meters. Can also be used on pipe thread (1/4 pint can)

..... 644303-401

## Sealing Compound

Used to pot wires to prevent leakage from conduit on PEX, PPST, and E transmitters, and electronic valve controller (8 oz can) .....

644139-402

## Adhesives

### Loctite

Securely holds threaded fasteners (e.g., bolts, nuts, etc.) in applications where vibration is a problem such as rotor cover screws, roller clamp screws, and turbine meter shaft nuts.

(2 oz container)..... 537525-001  
 (1/2 cc tube)..... 645001-401

### Spray Paint

**\*\*\* FLAMMABLE \*\*\***  
**\*\* AIR FREIGHT PROHIBITED \*\***

For touch up of nicks and scratches which occur during installation and service (orange, 10.5 oz container) .....

650539-001

For touch up of nicks and scratches on Veeder-Root counters, ticket printers, etc. (aluminum, 10.5 oz aerosol container) .....

650539-002

The specifications contained herein are subject to change without notice and any user of said specifications should verify from the manufacturer that the specifications are currently in effect. Otherwise, the manufacturer assumes no responsibility for the use of specifications which may have been changed and are no longer in effect.
